We welcome your comments and suggestions to make our program the best it can be.

New textbook selected for 2018-2019

This year, we will be going back to the textbook series *We Believe* by Sadlier. This is the textbook that the St. Mary's students are using. We felt that it was best to be in conjunction with our Catholic school in presenting the faith to our young people. You can find more information and helpful links on Sadlier's website – www.sadlier.com

Catechists, Hall Monitors, Aides Needed

There is always an on-going need for catechists, hall monitors and classroom aides. If you are interested or know of someone who would be, please contact our office. Thank you for your assistance in this most important mission.

Looking Forward To This Year

This year, we will be doing many great things. The 2nd graders will be preparing all year to receive 2 essential Sacraments of Reconciliation and the Eucharist. The 8th graders will be preparing to receive the Holy Spirit in Confirmation. Please pray for the students and catechists as this important year starts.

There will also be special events such as the Thanksgiving Food Drive and the preparation of the Thanksgiving Baskets for our community, Service projects throughout the year especially with our 8th graders, the crowning of Mary in our May procession and other events being added to our already full year.

If you have any other ideas for special things we could do this year, please let us know! We look forward to working with you to make your child's faith walk strong and steady.

Just A Friendly Reminder

Just a friendly reminder to please make sure your child comes prepared each week with their books and any other items the catechists request. Please try to be on time – we only have a short time period each week. Thank you for your continued support.

Reflection of the Month

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these."

Matthew 19:14
